

JOB DESCRIPTION

MISSION & VISION

SummitWest's mission is to provide exemplary environmental services while exploring emerging fields that positively impact our planet. We are committed to empowering our team and take pride in our seamless client partnerships. Our Vision is to become established as a dynamic leader in the environmental services industry while maintaining our scientific and moral integrity.

ABOUT US

SummitWest is an integrative team of specialists offering the comprehensive environmental consulting services needed to preserve, restore, and develop our landscapes and natural resources. We actively invest in our staff and are proud to be home to an energetic team of diverse talent - empowered to create systems, find solutions, and flourish as professionals.

OUR VALUES

The Wildlife Biologist should model the "SummitWest 5 Values".

DIVERSITY, EQUITY, AND INCLUSION

We believe in fostering a culture of belonging that allows applicants and employees a safe place to authentically express themselves and encourages building long-lasting, meaningful relationships. We embrace our team's differences, understanding that our differing collective experiences and opinions increase our effectiveness as a whole. We believe in this effectiveness, our company culture will flourish.

SummitWest is proud to support women in STEM by empowering women to take their careers in their own hands, offering mentorship and training, and growth opportunities. SummitWest utilizes a wage calculator to ensure all staff are evaluated equally based on skills, qualifications, and education. We strive to close pay gaps and provide pay transparency for all staff.
